

Nucor Steel Tuscaloosa, Inc. has an immediate opening for:

Commercial Representative

Job Description:

Commercial Representative is an entry level sales position. The qualified candidate will prepare to ultimately become a District Sales Manager in steel manufacturing. The individual will be located at Tuscaloosa, AL to begin and will ultimately be relocating to a territory once prepared to accept additional responsibilities. Initial responsibilities will include becoming familiar with the Nucor Plate group, our product and our team; getting exposure to and helping support the Plate Group's strategic growth initiatives as well as Nucor's Commercial Excellence and 1Nucor initiatives; completing projects in support of our commercial efforts; and managing specific accounts and products. Extensive travel should be expected throughout the duration of this position including with our Technical Service team as well as current District Sales Managers. The successful candidate must be able to participate in and promote an atmosphere of cooperation and team work.

Minimum qualifications:

- Four year degree
- Willingness to travel extensively and relocate

Preferences include:

- Experience selling steel products
- International study

Nucor Steel Tuscaloosa, Inc. offers competitive pay commensurate with experience and benefits including Blue Cross Blue Shield Medical and Dental, 401(k) and a generous scholarship/tuition reimbursement plan for team members and dependents. If you meet the minimum qualifications listed above, follow the link below and provide the requested information:
